CONGRESSMAN
JOHN BRYANT
CHAIRMAN
OF THE BOARD

"Education is the most powerful weapon which we can use to change the world."

Nelson Mandela

We at DFW International community Alliance recognize the significant role education has played in our nation's growth and success as well as in the ability of its inhabitants to pursue their right to happiness. For several years we have offered this Scholarship Guide as a downloadable database for minority students and for children of "New Americans" who may not be aware of the many opportunities for scholarships available to them. Finally, thanks to the support of Citigroup, we are able to make available printed copies of the Guide.

DON BENTON
CHAIRMAN-ELECT
OF THE BOARD

Over 40% of North Texas population is composed of immigrants and their children. Their impact in our cultural, economic and political well-being must be recognized and supported. As they continue to assimilate, their hopes and dreams become the story of our country to the rest of the world.
